

GLOBAL CONCLAVE IN ONCO INTERVENTIONAL PULMONOLOGY

PRECISION, PROGRESS, AND PARTNERSHIP IN PULMONARY ONCOLOGY

ELECTROSURGERY / CRYO / APC - WORKSHOP

Advanced Airway Debulking & Tumor Management!

Master the use of electrosurgery, cryotherapy, and APC in airway interventions. This interactive session provides practical experience in setting up and applying these modalities for tumor debulking, coagulation, and safe airway management.

FACULTY:

LEAD

Dr. Sameer Arbat

Dr. Shweta Gargiya

Dr. Sheetal Chaurasia

Dr. Nitesh Gupta

**Dr. Vasunethra
Kasargod**

TOPICS OF WORKSHOP:

- Energy Modalities – When to Use Cryo, APC & Electrosurgery?
- Safety Considerations in Airway Tumor Debulking
- Electrosurgical Complications & Management
- Hands-on: Practical Setup & Application of Energy Modalities
