

# GLOBAL CONCLAVE IN ONCO INTERVENTIONAL PULMONOLOGY

PRECISION, PROGRESS, AND PARTNERSHIP IN PULMONARY ONCOLOGY

5-6 APRIL 2025, HYATT CENTRIC HEBBAL BENGALURU

## A CONVERGENCE OF EXPERTS

The Global Conclave on Onco-Interventional Pulmonology 2025 is a premier platform designed to bring together renowned experts, clinicians, researchers, and industry leaders in the field of interventional pulmonology and oncology. This two-day event offers a unique opportunity to delve into the latest advancements, share innovative ideas, and explore cutting-edge techniques in the diagnosis and treatment of lung cancer and other pulmonary malignancies.
